

Sprint Goal:

In the final sprint we need everything to look pretty and presentable. Our main focus will be fully integrating the backend to our frontend. To finalize this week we will make sure everything is functioning properly with the backend integration and it looks presentable, and maybe professional.

Team Capacities: 36 hours

William - 12 hours

AJ - 12 hours

Son - 12 hours

Planned Work:

US13: Integration

US12: css Styling(<https://trello.com/c/ga4DS98z>)
