Sprint Goal:
Finalize standard user controls. Also start working on admin controls if we get to it for this sprint. This sprint includes spring break so the workload this week will probably be less. We will continue to meet with the API and DB group as needed.

Team Capacities: 26 hours
William - 10 hours
AJ - 8 hours
Son - 8 hours

Planned Work:
1. US4: equipment reservation page: https://trello.com/c/4bzkWMsm
2. US5: Admin control over check outs and check ins: https://trello.com/c/j5RmdEpw
3. US6: Admin control over users: https://trello.com/c/GeL2rhrK
